

We invite you to participate
in 21st international specialized exhibition of
industrial technologies & innovations «**TechInnoProm**»,
which takes place in Minsk, from May 29 to June 1, 2018.

The exhibition is included in the program of **Belarusian industrial forum-2018**, which holds every year since 1997 and has become well-known interstate event.

The exhibition's purpose is promotion of innovative industrial equipment, products and technologies of native and foreign companies to regional and international markets; strengthening business contacts and sharing experiences.

Organizer: EXPOFORUM Exhibition Company.

Official support of republican bodies of state administration, executive committees of all regions of the Republic of Belarus and Minsk city, institutions of science and education, and public associations.

Statistics of 2017:

- **participants:** more than 270 international companies, enterprises and firms from Belarus, China, Latvia, Lithuania, Russia, Slovakia, Ukraine;
- **visitors:** 4920 persons; the exhibition was visited by members of the Government, leaders and top specialists of sectorial ministries, state committees and concerns, executive committees of all regions of the Republic of Belarus and Minsk city, industry enterprises, institutions of science and education, inventors and innovators, representatives of the diplomatic corps accredited in the Republic of Belarus and heads of international organizations;
- **business program** consisted of 23 specialized events.

Participation in the exhibition «TechInnoProm» will help Your organization to achieve new level of development!
