INVESTMENT AGREEMENT

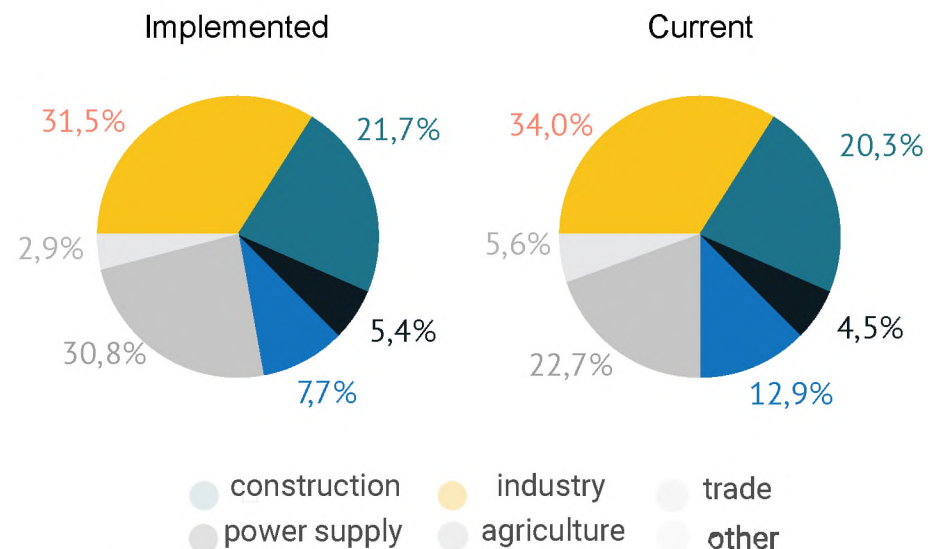

The investors are allowed to carry out construction work stipulated by the investment project and simultaneously develop design estimates and have them evaluated and adopted at each stage of construction.

- exemption from customs duties and VAT payments when importing technological equipment;
- deduction of paid VAT;
- provision of a land plot without holding an auction, which exempts investor from payment for the right to conclude a lease agreement and from payments for a land plot.

* NAIP AT THE CORE OF THE GOVERNMENT'S INVESTMENT PROMOTION

SUCCESS STORIES

What attracts us in Belarus is raw materials, high educated staff, and those doing business conditions set up by the government. And from logistic point of view Belarus enjoy a perfect location. Stability is a factor that cannot be underestimated too.

Peter Kaindl, Kronospan
