JSC “Krasny Mozyryanin” is searching for a reliable partner in Asia region.

Nowadays JSC “Krasny Mozyryanin” offers the goods of the following groups:

- milky sweets;
- sweets, glazed with chocolate and confectionery icing (fruit-jellied, cream, beaten up and with combined parts);
- marshmallow kinds of products (sprinkled with sugar powder, peanuts, coconut, glazed with chocolate or confectionery icing);
- fruit-jelly (sprinkled with sugar, coconut, glazed with confectionery or chocolate icing);
- toffee (wrapped and tirage toffee).

“Krasny Mozyryanin” is a modern production with the reputation of a reliable partner on the market of confectionery not only on the territory of the Republic of Belarus but also outside the country.

Consumers have known and liked the products of “Krasniy Mozyryanin” JSC for 97 years. The products are manufactured from environmentally clean and natural raw materials, which are imported from the near abroad and other foreign countries. The main direction of the development of range of confectioneries is the rise of food and biological value. The production of the factory contains agar and pectin which are useful for humans’ organism.

Production facilities are certified to meet the requirements of international food safety and quality standards ISO 9001-2009.

We offer:

- A high quality of products
- Flexible conditions of payments
- A wide range of production.
- A system of discounts.

Terms of payment: 100% prepayment.

We attach file for your reference with price quotation in US-dollar. Cost of FOB delivery is not included.
